CONGRESSIONAL RECORD — SENATE

August 17

matter, charged with a great deal of emotion. All of us concerned have tried to be just to the Seneca Indians, as well as to the country at large, by striking a figure which seemed to us to fully cover every possible damage sustained by the Senecas by virtue of the construction of this reservoir, plus a rehabilitation fund which would permit large-scale commercial tourist development, educational funds for scholarships, vocational training, and guidance counseling, new housing, new tribal utility, and sanitary facilities, and more money besides, to substantially improve the living standards of the Seneca Nation well beyond anything known before the reservoir was built.

We think the amount is fully adequate to achieve that purpose, but we recognize that, in striking a compromise figure, it has not been possible to obtain unanimity of opinion.

In the judgment of the majority of the conferees of both the Senate and the House, this bill represents a just and generous settlement; and it is in that spirit that I commend it to my colleagues and urge the adoption of the conference report.

The PRESIDING OFFICER. The question is on agreeing to the conference report.

The report was agreed to.

AMENDMENT OF THE TARIFF ACT OF 1930 WITH RESPECT TO RATE OF DUTY ON BROOMS MADE OF BROOMCORN—AMENDMENT (AMENDMENT NO. 1236)

Mr. WILLIAMS of New Jersey submitted an amendment, intended to be proposed by him, to the bill (H.R. 5986) to amend the Tariff Act of 1930 with respect to the rate of duty on brooms made of broomcorn, which was ordered to lie on the table and to be printed.

FOREIGN ASSISTANCE ACT OF 1961—AMENDMENT (AMENDMENT NO. 1237)

Mr. AIKEN. Mr. President, I send to the desk an amendment and ask to have it printed.

Mr. President, this amendment is almost exactly like a part of the wording inserted in the so-called poverty bill. It would require the officials of all corporations who have contracts under the AID program and of banks which have insured loans under AID programs and others who benefit from the AID program to take exactly the same loyalty oath that the beneficiaries of the so-called poverty program will be required to do under legislation which was recently enacted by Congress.

I am sure that no one can logically object to the adoption of the amendment and so I am sending it to the desk and ask to have it printed.

The PRESIDING OFFICER. The amendment will be received, printed, and will lie on the table.

ADJOURNMENT TO 10 A.M. TOMORROW

Mr. CHURCH. Mr. President, in accordance with the order previously entered, I now move that the Senate stand

adjourned until 10 o'clock tomorrow morning.

The motion was agreed to; and (at 7 o'clock and 36 minutes p.m.) the Senate, under the order previously entered, adjourned until tomorrow, Tuesday, August 18, 1964, at 10 a.m.
